Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 14-45, 47, 49 and 51 directed to invention II non-elected without traverse. Accordingly, claims 14-15, 47, 49 and 51 have been cancelled.

2. Claims 1-6, 8-13, 46, 48, 50 and 52 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-6, 8-13, 46, 48, 50 and 52 is the inclusion of the limitation of wherein the anti-curing deformation part comprises at least one groove disposed in a longitudinal direction between rows of the nozzles of the nozzle plate. It is this limitation found in each of the claims, as they are claimed in the combination that has not been found, taught or suggested by the prior art of record, which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
